

THE CRISIS IN SPAIN.

WHY THE MINISTRY RESIGNED.
DISAGREEMENT OVER THE FRENCH TROUBLES—AN
EFFORT TO UNITE THE LIBERAL PARTY.

The Spanish Ministry tendered their resignations to the King because they could not agree on what further action should be taken with France. They decided that it was best to place the matter in the hands of the new Ministry. Senor Sagasta urged that the formation of a new Cabinet be given to Senor Posada-Herrera, as he would probably unite the Liberal party. The task was intrusted to the latter, who offered three Ministerial departments to the followers of Marshal Serrano. It is believed that Senor Camacho will resume his post of Minister of Finance, and that the other seats will be divided between the Dynastic Left and the supporters of Senor Sagasta.

FORMATION OF THE NEW CABINET.

SENOR POSADA-HERRERA UNDERTAKES THE TASK
—HOW THE SEATS WILL BE DIVIDED.

MADRID, Oct. 11.—In a recent interview with King Alfonso Senor Sagasta declined to form a new Cabinet and advised that the task be entrusted to Senor Posada-Herrera, who, he said, would probably be able to effect a union of the different groups of the Liberal party. Senor Sagasta promised to support a Cabinet formed on that basis. King Alfonso then summoned Senor Posada-Herrera, who undertook the task. The latter then visited Marshal Serrano and offered him three Ministerial Departments for his followers.

Marshal Serrano decided to consult the members of his party regarding the matter, and a meeting of the latter was held yesterday evening. It is not known what decision was arrived at, but it is generally thought that Senor Camacho, the late Minister of Finance, will resume that post, and that the remaining seats will be divided among the Dynastic Left and the supporters of Senor Sagasta.

THE SITUATION IN FRANCE.

PARIS, Oct. 11.—The Temps says that, owing to the resignation of the Spanish Ministry, France now considers the difficulty with Spain arising from King Alfonso's reception in Paris at an end. The Budget Committee have read the estimates of the new Minister of War, which amount to 593,000,000 francs. It is understood that General Campanon will generally pursue General Thibaudin's policy.

The report printed in the Gaulois that a reconciliation had been effected by President Grévy between M. Ferry and M. Wilson is semi-officially denied.

The Paris correspondent of The Times states that the revised estimates of the French budget show a deficit of 55,000,000 francs, which M. Tirard, Minister of Finance, proposes to cover by a reduction of Governmental expenses.

IRISH CRIMES AND POLITICS.

THE CASE AGAINST O'DONNELL.
LONDON, Oct. 11.—The prosecution have obtained depositions from all their witnesses and have placed their whole case before Mr. Guy, solicitor for O'Donnell. The latter, in an interview yesterday with Mr. Guy, expressed the hope that he would be acquitted, not so much for his own sake as for the sake of those who have so kindly subscribed for his defence.

AN INFORMER SENT TO PRISON.

DUBLIN, Oct. 11.—The informer Lame has been committed to prison, it having been ascertained by the authorities that he was about leaving the country to evade giving testimony against his brother-in-law, Poole, in the approaching trial of the latter for the murder of Kenney. [An examination before the Court on April 4 Lame testified that Poole, on the night that Kenney was murdered, saw him (Lame) a full account of how the deed was done.]

EARL SPENCER'S CONDUCT CONDEMNED.

DUBLIN, Oct. 11.—At the regular fortnightly meeting of the National League last night it was announced that £1,000 had been received from Australia by the treasurer during the week, and also £1,000 from America. A motion by Mr. Biggar, M. P., was carried condemning the partizan conduct of Earl Spencer, Lord Lieutenant of Ireland, in proclaiming the League meetings announced to be held in County Clare, while tolerating the addresses of Sir Stafford Northcote in Ulster, which resulted in an assault upon a convent.

BELFAST, Oct. 11.—Sir Stafford Northcote has addressed a letter to the Mayor of Belfast expressing regret for the attack upon the convent by Orangemen during his visit here last week.

MISCELLANEOUS FOREIGN NEWS.

THE AMERICAN GUARDSHIP LEON.

DEIVEN FROM THE ISLAND OF JULIENBY BY
TRADING SCHOONERS.
LONDON, Oct. 11.—A dispatch to Reuters Telegram Company from St. Petersburg says: "A dispatch from Vladivostok announces that the steamer Kamtschatka arrived there yesterday. She reports that eleven trading schooners, whose nationality is unknown, after driving off the American guardship Leon, belonging to the Alaska Commercial Company, stationed at the Island of Tulenji, landed sixty armed men, including some Japanese, and took possession of the island. The Leon immediately proceeded to Koresakowsky, a station on the Island of Saghalien, and demanded assistance. Owing to the small number of the guardship stationed there no assistance was available. When the Kamtschatka passed Tulenji her captain saw eight schooners lying off the island."

AUSTRIA AND ROMANIA.

VIENNA, Oct. 11.—The action of the Rumanian troops, who recently crossed the Austrian border and occupied the barracks commanding the Vulcan Pass in the Southern Carpathians, was merely the outcome of a frontier dispute and devoid of any political significance.

THE ANTI-JEWISH OUTRAGES.

ST. PETERSBURG, Oct. 11.—The Governor of Ekaterinburg has issued a proclamation declaring that if the anti-Jewish outrages are renewed they will be suppressed by force of arms. She then proceeded to Vardø, where her arrival was greeted with great rejoicing.

THE OHIO ELECTION.

TALK OF THE POLITICIANS.

CAUSES OF THE DEMOCRATIC VICTORY—THE CONTEST FOR UNITED STATES SENATOR.

[BY TELEGRAPH TO THE TRIBUNE.]
CLEVELAND, Oct. 11.—Republicans here are by no means disheartened over the results of the election. O. J. Dodge, who was Speaker of the Assembly in the spring, when the Scott law was passed, says that, while the party defeat has resulted from the temperance prohibition, the charge of a slaughter of the ticket by Prohibitionists will be found baseless. It was not true there were changes from last year's Prohibition vote to the Democratic column. The Republicans gained the Prohibition vote.

None of the injured will die. The storm struck the town at midnight. It came from the southwest; upon its approach the air was so charged with electricity that lights could not be made to burn, and people rushed to their cellars in the darkness to avoid the danger which seemed imminent. The entire outward wall of the town was of a peculiar reddish-green color, with a strong sulphur odor, and the deafening roar of the tornado was indescribable.
